Re: 09 CV 4084 (ENV) (JO)

Dear Judge Vitaliano and Judge Orenstein:

In regards to my last correspondence of September 15, 2010, I have yet to receive requested documents from the New York State Workers Compensation Board (WCB). An additional request was submitted on September 15, 2010 to attorney Allen Tishman to aid in expedition of the documents. Mr Tishman represents me in the WCB case. Mr. Tishman was abroad and has recently returned.

As time is of the essence, I am asking if the Court can intervene on my behalf in the immediate release of these much needed documents for Discovery. I have learned the documents are located in Brooklyn, New York as opposed to Albany, New York where they are generally housed.

I have been given the "run-around" for quite some time. At one point, being informed: "I should consider myself lucky; for: there are others, who, it took years before they finally got their documents."

The specific documents I have been requesting are the minutes and exhibits from the WCB's discharge/discrimination trial. As previously expressed, these documents are critical to [my] discovery defense. There is further conflicting evidence in the Defendant's testimony/allegations.

To date, I've not been given an affirmative date as to when to receive the documents. Only that: "It's being worked on. Two weeks at best, if I'm lucky." For the

above reasons, I am asking for a 14 day continuance for narrative-submission. Or, what the Court deems best to remedy this situation.

Very truly yours,

Sonia A. Pusey
